CMA Families,

As you have heard today, the governor issued a "stay at home" order effective until April 13th. With that being said, the school will be closed until April 13th. If you need to get a hold of someone at the school, please do not call the main office. Please reach out to your child's teacher and they will be able to help you.
Regarding school meals pick up process: School meals are available to children 18 and under and 18-26 that are special needs. *Parents you must bring enough bags or boxes to hold five breakfast, five lunches and 10 milks for each child, you will need meals for.* We will have a table set up by the main doors for you to walk up to. You will tell us the number of children you are picking meals up for. We will kindly ask you to step back from the table, we will place your meals on the table, we will step back from the table and you will collect your meals and milk. We strongly ask that if you are waiting in line to keep the 6 feet required distance from each other and staff, As much as we miss you and our students, we must keep communication to a bare minimum. Meals will be served on Tuesday, March 24th, Tuesday, March 31st and April 7th, from 1 to 3:00 pm, by the main doors.
