

Creative Montessori Academy

Athletic Competition Consent to Drive Form

In volunteering to be a driver for student athletes of Creative Montessori Academy, I do attest that I am a safe and careful driver and that I do hold a valid driver's license. Additionally, I do not have more than four points on my driving record. I also understand that I will have a list of the children being transported in my vehicle and the names and telephone numbers of the student athletes' parents or guardians. I am providing a copy of my driver's license and insurance card for the office to keep on file.
